The Premises:

First time at Victoria House. Found parking easy and free for an hour in the town centre. Short walk down the hill to the establishment. Discreet enough, side entrance.

Greeted by receptionist who showed me downstairs facilities. You are expected to shower downstairs and use lockers and use bag for valuables. 3 showers available, sauna, and tea and coffee and papers. Saw a punter leaving it was relaxed and friendly enough. Very upmarket. Best ive seen... better than sandys actually in mancys for the relaxation side of things..

Went upstairs to upstairs waiting room - tv and more free drinks coffee etc. Comfortable , apart from the flip flops I had to choose from - ive got size 13 feet and the selection on offer seemed to be 10 max !!

The Lady:

Lisa arrived up the stairs. Early 30s curvy. Tanned Brunette. Very easy to talk to with a bit of northern charm. I'd say enhanced boobs but very good. Pussy tasty good and very clean.

The Story:

Would definitely go back.

Asked what I wanted after a short massage. kissed my derriere very intimately... first time ive had a woman do that, enjoyed it.

I prefer a good bout of oral, she started and moved to a 69. Some fake moans but she did taste very wet and stimulated. After the event nice massage.
