The Premises:

as previously described

The Lady:

Bottle blonde, late 20 something, reportedly and conceivably Hungarian (she corrected my pronunciation of the few Hungarian conversational phrases I know so she can clearly speak the language), average height, slim-medium athletic physique (she's a keen swimmer with a body to match), very attractive, medium-large breasts, fully shaved, intelligent, very good command of English and an excellent conversationalist. Unblurred photos currently on her profile provide an excellent indication of what to expect.

The Story:

This is my unprecedented third report on Elise. I'd previously seen her in 2011 (Pnet review number 105820) and then again in early 2016 (number 122104) with both reviews still up. I don't often see a lady more than once and it is rare for me to see a lady more than twice as familiarity can breed contempt. With Elise though, I had no such worries.

This time round, she obviously recognised me and greeted me by saying she'd hadn't seen me for ages. She was as keen and as passionate as ever with dfk, owo, frottage, missionary and cim all delivered with great enthusiasm as if her enjoyment of her job had not diminished over the years. She was also excellent company and we chatted about a variety of subjects unconnected to the main purpose of my visit.

All in all, Elise is still definitely high up in the premier league of incall providers. I will strongly recommend.
