The Premises:

Ego Massage - reported on many times. Clean, comfortable and friendly as always.

The Lady:

Gorgeous. Slim, natural body with just the right curves for my taste! Very friendly chatty girl, confident of her looks and abilities.

The Story:

Fabulous time with a wonderful girl. Alex made sure I was comfortable then started a gentle massage. Chatted about anything and everything whilst on my front, with her hands running all over my body. She spent a lot of time standing by my head - what a view! There was never any doubt that this would be a memorable hour, and it certainly was. Hands strayed after a while to my perineum, then reached under for the most erotic manipulation I have ever had the pleasure of receiving.

After turning over, things just continued to get better and more erotic, with the inevitable result! After a clean up, Alex gave me a further 5 minutes massage in the remaining time, which just made the perfect end to a wonderful session.

Thanks Alex - hope to see you soon - and very best wishes for your future plans you told me about.
