The Premises:

Basement flat in quiet area near top end of Leinster Terrace. Plenty of meter parking if needed. Flat is very clean and tidy, and Jessie's room is huge, more like a lounge with a large sofa and low table and a large double in the far corner.

The Lady:

Jessie is a very petite thai lady probably in her late twenties, natural boobs, and a lovely smile. Easily recognisable from the website photos. She was dressed just as I asked.

The Story:

Jessie welcomed me and invited me over to her sofa and offered me a drink, so we shared some red wine. After a quick sip Jessie went straight for some passionate dfk and started to wrestle with my trouser belt whilst the kissing continued - this lady is keen! Apart from a couple of small requests, I simply let Jessie take the lead, and an amazing two hours passed in the blink of an eye. Another great recommendation from the guys on reception at Olina.
