The Lady:

Holly is a very attractive girl in her mid to late twenties. She's blonde with a cute and pretty face, and a genuinely stunning body. She is much better looking than her photos, although perhaps because the whole package is really quite beautiful.

The Story:

A very quick visit for complicated reasons on my part... and I perhaps failed to fully use the opportunity of being in the company of a beautiful girl quite willing to suck my cock and get fucked! So.. a quick shower, and then Holly started proceedings by giving my back a rub... first with her hands, and then (wonderfully) with her naked body and her boobs. Which of course led me to roll over and offer Holly the chance to suck my cock, which she did with a few welcome appreciative moans.

And then on with a jonny and on to the main event.

Merely missionary style... although when a gorgeous young blonde is lying naked on a bed with her legs apart and lubing her pussy, it's hardly 'merely'.

Very tight pussy, very nice indeed. And so (because I hadn't fucked anyone for ages) I lasted no time at all, and when Holly started saying "fuck me harder, that's right, fuck me hard"... I'm afraid that was it for me!

But... what's not to like?

A genuinely beautiful blonde asking me to fuck her... lovely!

Next week... again... definitely !
