The Story:

Decided to see another girl from Brazil after a few other mistakes from this country, unfortunately not really any better, my advise avoid them in the future. Spoke reasonably good English but had little understanding of English - asked for tie & tease and she didn't have a clue what I was talking about. Mandy only really seemed interested in making me cum as quickly as possible. 30 min appointment done in 20 mins. Pleasant enough experience but very mechanical.
