The Lady:

What can I say about Electra

She's absolutely gorgeous I want her all too myself

She's tall tanned inked curvy and blonde and that's enough for me I'm a sucker for blondes

The Story:

I've been seeing this lovely lady for a long time now and every time I see her just get better

Electra was my second girl of the day and I initially booked for 30 minutes but as soon as she came into the room we got straight into dfk caressing her body her giving me one I the best blowjobs I've never had

We moved on too the bed and more kissing her tits in my face and at this point I thought I need her for longer

So I asked her if I could extend for the whole hour she told me to call the reception and ask

As I called to extend she was giving me a mind blowing blowjob I could hardly get my words out but eventually did and an hour was ok

After that we just got down too business

Her on top

Missionary

Doggy

Cum in her mouth

Didn't need a recovery time she makes too very horny

We just got on with round two

I would highly recommend her she's worth every penny
