Modern, tidy and comfortable place

### The Lady:

Very attractive! Great body and most importantly what a character!

### The Story:

It started with a funny conversation when we got to know each other a bit. Then Michelle asked me what I like in a very relaxed and casual manner. She made me feel very comfortable to tell her exactly what I want and she did just that. And she did it with great joy and energy! Just WOW! Very classy and beautiful lady who will exceed your expectations and make you want more. Also a great conversation.  
I shall see you.
