The Premises:

Usual HoD Flats in Central London.

The Lady:

Stunning lady, probably late 20's. Previous reviews are damn accurate - the "typical hot blonde" and "bombshell". Very much PSE feel, not usually what I go for, but hey, who am I to turn down a girl like that?

The Story:

Having seen dozens of reviews published, Chloe must be one of the safest bets out there. For some reason she was never on my hit list, probably because I tend to try out fresher ladies. Having been shot down by a couple of girls who were either ill or weren't working, I "settled" for Chloe, but boy have I woken up to my mistakes now. After cutting through Friday London traffic, I arrived bang on time. I was very pleasantly surprised with Chloe. The paperwork was completed swiftly. She slowly wrapped her arms around me, and gave me one of the deepest FKs I have experienced for a while now. Usual GFE cycle for me again: OWO (done very well), RO then 69 (offered then offer swiftly accepted - thank you), CG and Mish finishing inside, everything offered with FK at every opportunity. I slumbered in her arms after - and MORE FK! She had only spoken fewer than 10 words the entire encounter, leaving me fully satisfied, but incredibly curious as to what Chloe is like underneath.

In all, Escorts like this only exists in fantasy land with the likes of unicorns. If you get a booking with her you will be treated like a king.
