The Premises:

Clean and tidy apartment central MK

The Lady:

Blonde and blues eyes. She has a large bottom and and is an Essex girl and speaks very dirty and common.

When she walked in she does not look like a photos which have been photo shopped.

But reasonably attractive.

The Story:

It was a rushed service and she was talking about herself all the time.

She does not climax easy but saw to it that I did. Most of it of my work!

Ex porn star who looks like she does not like the work anymore.

She was not complimentary or talkative and looked as if she was posted off by the whole meeting.

There are plenty of girls who do give a better service and I recommend them not this one!
