The Premises:

Very clean, comfortable, well maintained premises with ample free car parking adjacent. Very well managed and run establishment with a welcoming friendly feeling.

The Lady:

Very pretty young lady, long legs, peachy bum, slim & toned gym bunny with a great full breasts with perfectly formed nipples. Another stunner at Ego to add to the long list of lovelies. Very sexy glasses accentuating those fab eyes,

The Story:

Phoned to book and Millie commented that I would like Mia & greeted by Mia herself at reception. Said Hi to the gorgeous Rachel as being led upstairs and she too said I was in for a treat! Following Mia upstairs was a joy and could feel my old man standing to attention already with the legs & bum wiggling up the stairs in front of me. Jumped in the shower and Mia was there as I emerged for a quick kiss on cheeks before assuming the position on the couch. As well as drop dead gorgeous Mia is an intelligent, charming & articulate lady who could put any one at their ease. Very good massage with attention to all areas before Mia climbed on my back for a fab body to body rubbing those breasts all over my back and rear and blowing gently on my cheeks and back of my neck, so sensual. Flipped over for some more light massage and much more attention to my cock, balls & bum. Stroking Mia's legs, bum and breasts was a delight as her nipples stood up like walnuts after the gentlest touching. More body to body on the front this time and Mia sensed that I was nearly there and applied plenty of oil to my cock and worked me up to the happiest of endings. A fantastic 45 minutes with a most delightful and personable young lady.
