### The Premises:

The House Of Divine 1 flat in West Kensington, about 2 minutes walk from the tube station. Nice quiet location. Clean as usual.

### The Lady:

Gemma is a lovely attractive girl. She is slim with perfect breasts.

### The Story:

I arrived a couple of minutes early. The friendly maid was waiting at the door for me when I reached the bottom of the steps.

She showed me to the room, quickly returning with a glass of water I had requested.

Gemma soon arrived : she knocked on the door and came into the room. She was really surprised to see me in London as I have previously seen her at Annabella's in Milton Keynes and she thought that I lived there. I told her that I live between the two places.

She went over to the bed and quickly stripped naked except legs and feet. She took off her shoes - great for me and safety reasons.

I joined her on the bed and we had a lovely kissing session with me gently stroking her head and body. She started to play with me and I soon got aroused. Then, after a quick wipe she gave me lovely oral without. Then I asked to lick her pussy : she laid on the bed.

I continued for several minutes, playing with her boobs at the same time, and she made gentle moans of pleasure. Gradually the intensity built up until I made her cum - she raised her lower body several times at this point. Next she put on the condom for sex. I asked her to get on top and we had it cowgirl with her facing me. I was very aroused looking at her lovely boobs, and didn't last very long before she made me cum in a lovely way! Then she leant forward and kissed me before getting off me. She removed the condom and cleaned me. I thanked her and she strongly thanked ME for it.

Gemma is a lovely girl...she kissed me at regular intervals and we obviously get on well together.

I really love seeing Gemma -I think she enjoys seeing me and/or she is a great escort, probably a combination of the two.

Another kiss before saying goodbye.

Thank you so much Gemma. I look forward to seeing you again soon! xx
