The Premises:

As my previous reviews.

Watch the limited space and entrance in the onsite car park behind the establishment!

The Lady:

Very attractive - 20s - brunette.

Tits and ass to die for.

London accent, very friendly. I did get the impression she experienced as a little forced though - OK all the same. That's just me being picky.

The Story:

Was feeling a bit glum after pulling a sickie. Needed cheering up so decided to phone ahead for a 30 min appointment with Georgia - first time with her.

Nice oil massage on the back. Asked to turn over for the fun to begin. Went for the full GF experience with kissing, oral without and reverse oral.

Revealed the bangers - very nice firm pair. Was invited to have a little suck.

Nice leisurely oral without got me going in no time - she was quick to point out how hard I was - she was indeed correct - her wonderful technique had me throbbing. A bit of reverse oral and then more oral and hand relief to finish.

Short post cum chat and then I was shown the door. Very nice experience all in all - £95 all in was more expensive though than what I paid for a similar service at the same establishment - not sure what's going on there ?!
