The Premises:

Basement apartment on a residential street. A 10-15 minute walk from the Tube.
Clean and functional.

The Lady:

Apple is quite petite and very pretty. She hails from Eastern Asia and would turn most heads.

The Story:

This is possibly the third time I'd visited Apple. It's fairly rare for me to return to an escort, as most encounters don't have enough chemistry to merit such. So that's an indication of how nice she is.

The session was very pleasant, as Apple is very accomplished and gives the impression that she enjoyed the time (almost) as much as I did.
