The Lady:

SUPER HOT, SUPER SEXY, SUPER SERVICE. Bonnie is 5'4"ish, white, british, very pretty brunette, slim but with all the right curves and a very sexy accent. Hotter than her photos. Have to make a special mention of her amazing nipples. 10/10.

The Story:

In the room, started with some very nice DFK. Got Bonnie naked. She has a smoking hot body, smooth skin, nice boobs with great nipples (I think I am in love with them). Got her on the the bed on her hands and knees, started licking and kissing her pussy and arse. Rolled her over, told her i wanted to make her cum. She said i could try, but she normally takes quite a while to cum. I layed her back and started tonguing her sweet pussy. I must of hit the right spot because she had an orgasm after only a couple of minutes. She said it was her turn to use her mouth on me. Got me to stand up, she got her knees and with her hands behind her back started by spitting all over my cock, which i loved. She took me in her mouth(OWO) and went to town. If you love having your cock taken deep and covered in saliva then you are in for a treat. Got back on the bed for more DFK. Got her on her back for sex, lots of kissing, eye contact and she remembered my name. I did not last that long but was totally satisfied. Spent the last part of the hour kissing and chatting. Roll on September pay day as I will be going back for more. Would love to know if she ever squirts, would drink every drop if she did.
