### The Premises:

Discreet apartment located in Central Milton Keynes. Plenty of parking, especially at weekends as it's surrounded by businesses who operate only during weekdays. Lovely room with a nice vibe and good quality bedding.

### The Lady:

She's just lovely. Beautiful face and body. Definitely like her photos, if not better in real life. Around 5'4 and in her early twenties.

### The Story:

Arrived on time and found the apartment easily. Was warmly welcomed by the Maître d' and asked to wait in the bedroom, was offered a drink upon arrival.

Sophia arrived about 10 minutes later and I was instantly impressed. She lit the room up with her charm, we had a good conversation about where we were both from and what we do outside of the bedroom! She's very intellectual and her English is superb, considering it's not her native language.

We sorted out the paperwork swiftly and I got on with what I wanted to do ever since I first saw her online profile, worship her soft, perfect size 4 feet. She was very willing and understanding of my fetish and let me get on with what I wanted to do. Did this for about 15 minutes and then finished on her toned, smooth body.

I definitely plan to book her again very soon. She's a credit to Annabella's and by far the best escort I have spent my time/money anywhere.
