The Premises:

Apartment in the centre of Milton Keynes near the Post Office. Very modern, clean and discreet.

The Lady:

As per the website photos, Ella is a very well toned, attractive lady.

The Story:

Excited to finally meet Ella who comes with a very good reputation and a pair of boobs that are fantastic.

The appointment was good and I would recommend Ella to anyone new or experienced to punting, Ella is a girl who is adventurous with her tongue and hands, everything stated on the website was on offer and you won't be disappointed. She also recommends a threesome and claims to be very interactive, the thought of Ella and Carla on the same bed is something I'll have to contemplate in the future!
