The Premises:

GFE's a well run establishment with a great atmosphere. Parking round the back can fit about 4/5 cars - I just managed to squeeze in.

The Lady:

Tia's a young lady - about 19, really slim with long dark hair. Lovely long legs and small perky breasts - an absolute stunner.

The Story:

Came in, 2nd ever visit and still shakey with nerves. Receptionist set me at ease and introduced me to Tia and a lady called Beth who were available when I arrived, Tia struck me from the off.

Got to the room, well kept like the whole place. Standard shower etc and she came through just as I got out and dried off. Straight on to 69/OWO - and what a technique! This girl knows how to go down and has such a beautiful pussy and ass you could eat all day. On with the johnny and into cowgirl - this was really sensual, and I like to think she loved it just as much as I did. Finished off in standing doggy and I just couldn't hold back anymore.

To say she's a new girl to GFE she definitely left me with a damn good impression and I would definitely love to see her again. Don't treat her rough, she's too good for that.

Price is normally £65 for the half hour GFE service, but she deserved the £70.
