The Story:

I arrived during the morning chaos, greeted by the maid who was in the middle of tidying up. I was put in the down stairs room where a curtain separated me from the girls getting ready (OK I had a good look!). Bonnie came in the room wearing the pink leotard in her pictures, fresh out of the shower. We had to wait for the other girls to parade past before we got started (Cherry looked especially good!)

Bonnie greeted me with a full on kiss to the mouth and I knew I was in for a good time. She is the perfect GFE, sexy, attentive, fun and naughty. I could have stayed between her legs all day! After some hot sex we finished with a nice chat. An unhurried session, highly recommended
