The Premises:

Well known establishment on Narborough Road. I hadn't visited for years and was surprised to find only a massage table, no bed, in the allotted room. Other establishments seem to have moved on.

The Lady:

Natasha is very attractive, with a welcoming, chatty personality and a gorgeous, voluptuous body every bit as desirable as her photos suggest. Pretty well perfect in every way.

The Story:

A wonderful experience. After I'd explored every bit of her lovely body during a leisurely reverse massage, Natasha took a good, firm over-the-knee spanking without complaint. Next was her splendid, enthusiastic oral work, during which she maintained excellent eye contact, before the main event. What made the sex so special is that she is so supple; at one point her ankles were by her ears, which was incredibly exciting. Having almost gone flying off the table during some full throttle missionary, we finished with doggie-style in a standing position in front of the mirror. Natasha watched our reflection throughout, saying she found it a huge turn on to see ourselves. Even if she didn't mean it, it was a nice thing to say!

Natasha is lovely, and highly recommended.
