The Premises:

Door way entrance in a busy parade of shops, plenty of parking nearby. Friendly staff, clean room with fresh towels and shower

The Lady:

Petite beautiful tanned brunette. Well presented , feminine natural body, great legs, very pretty (you don't see that in the photos)

The Story:

Victoria came in the room wearing a lovely one piece, tanned and relaxed we immediately started kissing, she is new to the industry and this shows as the experience was very natural and not choreographed. She stripped off to reveal a banging body, amazing oral followed, naturally I returned the favour which seemed well received! More oral followed, followed by some great sex. Victoria provides a proper GFE, no rush, no awkwardness, didn't collect the paperwork until afterwards, you feel like you have spent time with a secret lover.

I would highly recommend a visit
