The Premises:

I missed the turning three times and was about to give up when i noticed the house number on the gates to a long drive way. Very well hidden, with off road parking.

The Lady:

I have read the previous reviews and was worried however was pleasantly surprised. Rona is the ultimate blonde, huge tits, firm arse and tats are a work of art

The Story:

I like to cross dress so had the 2 girl service, kelly who is a stunner took me to the cross dressing wardrobe and kitted me out, both women massaged me and took the time to ask what i wanted to do and we had 85 minutes of mind blowing, cock teasing fun, i had paid for an hour but the girls didnt clock watch, they cocked watched and i shot the biggest load of cum over their tits. I did have a shag and that was rubbered up. I will be back as i got on really well with them
