### The Premises:

On entry to GFE Sheffield, I was welcomed by the receptionist who was sound, and offered me a refreshment whilst I waited for Abbie. The reception area and the place overall, is of a high standard, which is what you want when you visit any kind of brothel. I was impressed with how clean and tidy and welcoming the whole place was, and will return again soon! ;)

### The Lady:

So, like I do all the time, I always have a thorough browse of the website to see what girls are on etc. I loved the sound of Abbie, and her description is bang on. I was really impressed, because some places photoshop their girls profiles, and put up unrealistic descriptions of their girls, which is annoying to say the least. Abbie is a gorgeous woman, and very voluptuous, curvy etc. I have the ability to feel energies and vibes, and those I got from Abbie, were on fire ;) She's a very nice friendly girl, and not stuck up like some girls. She has a great persona and I instantly felt at ease with her. She's a five star woman for sure :)

### The Story:

So, Abbie came to greet me in the receptionist, and I was like "WOW", and as I followed her up to the room, looking at that fine ass going POW POW POW!!!, I was like, "I can't fucking wait, to give this fiiiiine girl my fiery jalepeno!!!" So, as Abbie left the room for me to shower, I quickly had a good wash (with the Lush toiletries she provided herself, I assume, which shows how much passion she has for her job), and then stripped off. At that moment, Abbie came in, and I was like, "I'm a fucking lucky guy right about now!!! So as I lay on the bed, on my stomach, I said "talc please", and as she massaged me, I was like "Ohhhh Yessss" Once I had enough of the massage, I turned over, and started caressing her fine firm pert breasts, which were beautiful puppies indeed ;) I then started kissing her, and at first I was told off for being a naughty boy, as I started sucking the life out of her newly done lips, but as I calmed down a little, I started to kiss her more sensually, which was amazing, as I was caressing her fine peachy arse, what was I may say 'to fucking die for". At the same time I was playing with that beautiful pussy, which was a work of art in itself ;) She then started sucking my jalapeno, and I thought "I'm gonna explode", she was that good. So, then it was on with the hat, where I had her on top, and she did a bit of doggy, and then finished her in missionary. I was like FUCKING WOW during and after. She really DOES put her all in, and it just

feels like you have a girlfriend again, for that brief 30 minutes, as she's that good. I had a lot of god banter with her, she's a fucking ledge, and I'll be back to see her in the future at some point. Keep up the good work, you absolute diamond :) Guys, I can 150% assure you's that you WON'T be disappointed with this firecracker! So get booking today, you WON'T regret it, and that is a FACT!!!
