The Premises:

When you enter GFE Sheffield, you instantly know that you're gonna get a good service, because it's very classy, unlike some places I've visited, which were like ghetto's!!! The reception is warm and inviting, as the receptionist puts you at ease upon entering, and offers you refreshments. There's a tiny car park adjacent to the venue, but I just parked around the corner, as I didn't notice the carpark at first. The place overall is done up to a high standard, and is very welcoming, it has great vibes. The rooms are nice and welcoming, it's basically all good.

The Lady:

Charlotte's description was accurate, so I can't fault it, as it was spot on.

The Story:

So, as Charlotte came to greet me, we started to head to the room, where Charlotte left me to get a shower. Upon her entry into the room, I smiled and greeted her, then went to the bed to lie down for my massage. She asked what I preferred, i.e. talc or oil etc, which they all do. I enjoyed my massage, as it felt very sensual. I then turned over, and started to feel her pert breasts. I wanted to suck on her nipples, but she said they were very sensitive, so I just caressed them puppies gently, while kissing her on and off. She then began to vacuum my mini me!!! which was great. It was then onto, having her on top, then a bit of doggy, and finally missionary. All during this, we had little bits of banter, which is nice, as I love a good bit of banter when I visit, and I do so in general. Even though I wanted to see Pixie, Charlotte did the trick!!! ;) She's a nice girl, and I would recommend her. GFE Sheffield, has been great so far, and is just like the GFE in Bury, which I think is the sister company. Thanks again Charlotte, you were great.
