The Premises:

In need of a little TLC at the moment, looking a bit shabby around the edges but still clean and tidy. Best in Sheffield.

The Lady:

Around 5'6", long blonde hair, beautiful face (gorgeous eyes), tanned, lovely boobs and fantastic bum!! Photos are a good likeness but much prettier Than they depict.

The Story:

Haven't been to GFE in a while so was a bit nervy. I was mesmerised by Electra's demeanour and beauty so had no hesitation in choosing her from the gorgeous ladies that were available. Drying myself after the shower, my eyes were drawn to the array of sex toys on display around the room - I hoped I was in for an unforgettable experience and I certainly wasn't disappointed!

Electra came straight Into the room and kissed me full on be mouth without speaking, a great start! We kissed for an age as she slowly massaged my tumescence and without breaking eye contact slowly worked her way down my body to take me in her mouth. Wow!! What followed was probably the best oral sex I have ever received, plenty of lube, ball attention and eye contact. She then asked me to slide my now bursting cock between those gorgeous breasts, and I didn't need telling twice! What an amazing sight!

In an effort to prolong our meeting, I moved down to take her dripping pussy in my mouth and played with her clitoris until she was moaning with pleasure. She took a vibratory from the side and slowly inserted it whilst I continued to tongue her. Within seconds I could feel and taste her orgasm on my tongue. She then took a condom from her bag and expertly put in on my cock with her mouth, then asked me to get behind her. Her fantastic tight round bum bent over the bed was all the invitation I needed! In the throes of passion she screamed for me to spank her arse, with pleasure! Swapping places, she gently rode me in cowgirl so we could kiss and I could gaze upon her beautiful face. She asked if I'd like to finish on her breasts - is the pope catholic?, and a duly obliged sending hot stream after stream across her nipples.

This girl is absolutely amazing! Her body, conduct, personality and attitude are awesome!! I will most certainly be back! Thankyou so much Electra!
