### The Premises:

Easy to find place about 5 minutes walk from Victoria station. The apartment is of the usual high standard from House of Divine and I had a nice shower. Was offered a drink by both the maid and by Adrienne.

### The Lady:

Adrienne is a tall Romanian beauty with blonde hair, lovely long legs and gorgeous breasts. Despite her face being blurred on the website's photos, you can get a good idea what she looks like. I knew what to expect having had a previous encounter with her.

### The Story:

Having seen Adrienne at another place about two years ago, I was determined to see her again and when i saw that she was one of the Advent girls on a day that I was in London, I knew that I had to make an appointment to see her. After my shower, she came in to the room wearing the skimpiest of red outfits and gave me a kiss. Then asked what she could do for me. When i suggested a blow job, she gave me some awesome OWO. Adrienne is an expert at this and what she does with her tongue was just perfect. I then requested a 69 and she said "of course" and i have to say that she tasted lovely. By now she had got my cock really hard and it was time for sex. It was such a lovely feeling being inside such a beautiful girl such as Adrienne and missionary position soon turned to her on top of me. After a few minutes more of sex, I needed to cum soon. She then took the condom off and gave me some more oral sex, this time spitting on my cock, which i love and asked her to do more of, and she started talking a bit dirtier to me, which I found a huge turn on. Adrienne is fantastic at judging what the person she is with wants. I then stood up and wanked while Adrienne lie on the bed with her legs apart playing with her gorgeous pussy till I came.

A perfect half an hour and I hope to see more of Adrienne in the future. I would recommend her to anyone who is after a friendly, beautiful girl for some sexual adventures.

10/10!
