### The Premises:

House of Divine has flats in 3 different locations, Pimlico, Victoria and West Kensington. I tend to avoid going to West Kensington as it can be a problem to get to from central London. Pimlico is my preferred venue as it's close to a tube station and has spacious rooms.

### The Lady:

A short slim naturally beautiful young British women, with blonde hair and small boobs. She has a very fun personality and is always up for a chat and some banter.

### The Story:

I've seen Leona a large amount of times since she started working at House of Divine back in May and imo I believe she is one of the best escort available at HOD.

If you are looking for a pornstar experience then Leona isn't the right person for you. However she does offer a very fun passionate girlfriend experience that you won't forget. Her girlfriend experience includes most things such as: owo, kissing, sex(protected) and cuddling. Leona is a excellent kisser, something that I think is quite rare and is one of my favourite things. She also enjoys being tickled.

Finding a young British escort at the rate of £130 an hour is quite rare, so at that price she is definitely worth checking out. I would recommend booking in advance, as she often gets booked up fast due to her being one of the best at House of Divine.
