The Premises:

Ariel has now moved from her previous flat to a new one, conveniently situated close to Baker Street tube. It is a large shared flat, clean and comfortable with a good bathroom.

The Lady:

Ariel is a lovely young Thai woman in her 20's. She has a pretty face, with a slim figure and enhanced breasts. She looks like her photos and in particular the video. She has a warm and friendly nature, and a good sense of humour. Hence my return visit to her!

The Story:

As requested, after the initial kissing and cuddling, we started with an enjoyable shared shower. We then returned to the bedroom for a lovely session of owo, ro, 69 and intercourse in a number of positions, coming to a climax in a warm embrace. Afterwards a cuddle, a chat, and a kiss goodbye - until the next time!
