### The Premises:

Place has been used for quite a while now. Free parking outside if it isn't too busy

### The Lady:

Tall blonde. Good looking, lovely figure and an excellent attitude

### The Story:

Right firstly i'm sorry if i've got the time and day wrong but it was when Adrienne was the advent girl and having met her some time ago I decided to revisit. Adrienne most importantly has a good attitude. She provides an excellent service, even for a old short fat bloke like me. She looked gorgeous and I soon had her naked. We kissed and she used her tongue which I find really helps me to get into the mood. Adrienne said "you like it without don't you?" I said "yes" and without further conversation Adrienne took me into her mouth. Now what bloke wouldn't like seeing a gorgeous blonde licking and sucking on his todger with her gorgeous arse up in the air looking extremely inviting? I loved it but soon found myself craving pussy. I said "is 69 OK? " Adrienne smiled, responded positively and repositioned herself so that my head was engulfed. Oh her pussy was so sweet. I kissed, licked and sucked her wonderful vagina and labia for all I was worth. I would willingly have stayed there and survived on pussy juice for the rest of my life. Unfortunately I had to give in to time as I wanted to fuck Adrienne. Well, actually I wanted her to fuck me. Good girl that she is, she went on top and rode me whilst I played with her tits and also groped that gorgeous arse. We then changed to doggy and as I went hell for leather giving her bottom the lightest of spanks I could hold on no longer and came in the rubber which is something I haven't managed in a number of years. Spent, I just knelt behind Adrienne savouring the view and the feeling. She didn't rush to get me out. Slowly I retreated and then I felt both elated for what I had accomplished but also sad. Sad that it was over and I had to leave.

Adrienne was wonderful throughout and I can't recommend her highly enough. I don't think I will be leaving it very long before I visit again when she returns from a well earned break. Thank you Adrienne and thank you to the management. I've been a bit greedy recently!!
