The Story:

From the second she walked in to the 30th minute she walked out my heart was racing. She is far the best i have ever seen and such a lovely person and because i finished a bit too soon she gave mean amazing 5-10 minute lap dance to finish. I do not always manage to get that hard but this was the first time for many months that i was rock hard. she even made lovely comments on my teeth and whilst taken out of context she did ask if they were mine and i did say i am not that old, it was funnier being said that written about. Anyway, do not hesitate to see Bonnie, top class.
