The Story:

Unfortunately this was a bad if not worse experience i have had from annabellas. Arrived at 7pm lady at the door told me to wait inside a toilet as elise was busy with another customer.

After having waited 10 standing in the toilet i felt like leaving as i was told elise can only see me for 30 mins from 7:00-7:30 but as i had been looking forward to this lady i had waited, at 7:10 elise came in and let me through and she followed after another 5 mins so when she entered it was 7:15 but she kind of said sorry i can only see you for 20 mins to which she said it would be £50 which i felt was unfair and unapologetic but i agreed as a gentlemen.

5 minutes into the punt she said we only have 8 more mins which annoyed me a little but i carried on and it was just under 10 mins of being there she seemed like she was tired or wanted to go so it ended at 7:25. Was hoping for an apology or a reimbursement as i have been a loyal customer to annabellas and have always had outstanding service but this time 10 mins was not worth the £50 let alone the wait at the start.

I had been so looking forward to elise after having read the reviews but it was an awful time.
