The Lady:

Charlotte is 24 years old. She is 5ft 1in and has a gorgeous figure. She is not skinny, but even close to being "fat". She reminds me of the phrase "A bit of meat on the bones". She also has the most amazing tits

The Story:

I saw Charlotte in January 2015 and I am an idiot for waiting so long to see her again.

She opened the door, looking as beautiful as she always does, and I knew I was in for an amazing time.

We had a chat about what I was looking for, she got me a nice glass of wine (unexpected and most welcome!) and she left the room to get ready.

She walked back in looking like my dream girl. I am always quite general when ladies ask me what I want from them. I like to be surprised! All I ask for is cleavage and for them not to wear red! She walked in wearing an amazing black basque with her tits out. She looked incredible.

Straight away, she told me to strip. "Let's have a look at what we've got here." She told me to get on my hands and knees. I did that, but it wasn't enough for her. "No! Put your face on the floor and your arse up in the air - like a dog." I did what I was told and she slapped my arse while inserting a small toy and wrapping rope round my cock and balls.

She then gave me CBT and NT. Seriously, I never knew my nipples could hurt that much! She blindfolded me, tortured me a bit more and told me to follow her to her spanking room.

I would love to describe the spanking room, but as I was blindfolded, I can't! All I know is it has a black spanking bench that she bent me over. She then spanked my arse and it fucking hurt! I found

out later that she used her own hairbrush. She also caned me, and as she didn't cane me that hard, that was a pleasure compared to the hairbrush. Fuck me, that hurt.

She then took me back into the bedroom and told me to lie on my back. She punished my cock and balls, but it was the nipples that REALLY hurt. In the end, I couldn't take any more and begged her to stop. She said something like, "Why should I stop?" I told her, "I'll take the machine." She laughed and said, "Oh really?!"

Charlotte has a fucking machine that does exactly what it says in the tin. She handcuffed me to the bed, lifted my legs up and tied them up with rope. At first, I didn't think I could take the big cock, but she took it slowly and in the end I took a good few inches. She also increased the speed slowly. Wow, it was relentless! She took a five-minute video which was sn amazing reminder of my punishment. She also punished my nipples while I was being fucked! She is evil...

Eventually, after about ten minutes (she said 15 but I don't think I took that much), she stopped the machine and it was time for my fun. She gives a good covered blow job We also fuckein a couple of positions and then she took the condom off to wank me off. She gives a great hand job, but I usually find it difficult to cum. But after a lot of hard work from charlotte, time, I came on her tits.

I went fur a shower, we had a good chat and I headed off, promising to return soon. I also promised to give her a spanking next time! And I will...

To sum her up, charlotte is as close to perfect as I'm going to find. She's gorgeous, she's a brilliant mistress and she's fucking filthy. She's 24 and she's been working for a few years. If she ever packs it in, I hope she lets me know beforehand and I'll spend a day with her. No one can ever be a 10 out of 10, but she's 9.9.
