The Premises:

very nice clean flat large room which i have visited many times, nice tidy shower easy parking and the maid had nice smile.

The Lady:

apple is singaporean as she has told me on my first visit back in 2014 she is very beautiful with long dark silky hair and a very fit sexy body, i think she is 22 23 not 29 and she is getting younger unlike me, very easy to be with happy smile all day long.

The Story:

seen apple quite a few times over the years and again it was wonderful to see her looking so fine, nice long dfk just to say hello and then plenty of owo just to get things going at least this was the big plan but 10 mins later wow just could not help myself and the cim was inevitable completed to the last drop apple does not do half jobs apple completes the mission in every way no spills no taking her mouth away in the middle she knows how to please her man.then we had a chat before trying a nice 69 which was fantastic as her pussy is so sweet but time going fast and time for the hood and apple up on top for the last round but to no avail no fault of my sweet lady but had a great time again thanks apple best wishes be safe andy xxxxx
