Porn star like! Fit with massive tits and arse. Juicy BJ lips

The Story:

Another class act from the girls at angels, never lets me down. I dunno where theyre getting their girls from but theyre always fit fit fit. Anka was no exception. Think porn star style big tits, arse and blow job lips. She gave me the porn star experience too lets put it that way! We arrange to meet through text which was easy, what surprised me though was that even before she got to my flat she was texting me dirty messages detailing what she was gonna do to me and that. I've never had a girl do that before a punt before so was really excited for what was gonna come and she'd already made a good impression. When she got to mine she looked fit as anything. She was wearing some sexy underwear that had the crotch missing (easy access lads!) You'd only wish all girls coujld be this keen. Her OWO skills are top notch, all sloppy and she can deep throat properly unlike some punts who claim they can but actually aren't very good at it. Her body is perfect for banging as it feels like you're banging a porn star with those big fake boobs and that curvy arse, she even lets you finish on them if you ask nicely ;) Go on fellas, treat yourself!
