The Premises:

I have availed myself of One2One's excellent services for over 6 years. They currently have 5 locations - Aylesbury, Hatfield, High Wycombe, Kings Langley & St Albans all of which are administered by the lovely Moneypenny (and assistant Moneypennies!) remotely by phone with information & scheduling published & updated weekly on the website. All the girls are said to be totally independent which from my own experiences I can vouch to be a true statement. What also attracts me is that only the lady you book is present at any of the locations so I have always felt that this in itself makes the experience more intimate and personal. I normally use the locations closer to home & because it involves a 100 mile round trip & potentially hold-up horrors on the M25/M40 I had never ventured out to High Wycombe.

I was not surprised to find that the flat was entirely fit for purpose, ground floor, clean, warm, well furnished & discrete. Plenty of private parking within a few yards of the main entrance. Access by coded entry system with the code only divulged when you confirm arrival for the appointment with Moneypenny so security is assured.

The Lady:

The only reason I undertook this lengthy road trip I can sum up in one word "Louisa". She is tremendous. A petite Spanish beauty, suntanned, body-to-die for including the cutest bum, speaks lovely accented English plus Spanish (of course!), Italian & French AND a really dirty laugh. The perfect sexy package. Her profile & pictures on the website are an accurate portrayal although far better in the flesh. Oh yes.

The Story:

This was my 5th experience of Louisa's charms. Upon arrival, welcomed at the door with a huge smile, hug & kisses. Paperwork dealt with I took up the offer of a large clean towel & a hot shower (the time for showering is a bonus to your actual bedroom time, which is a nice touch). Refreshed, I adjourned to the bedroom to find, much to my obvious arousal, Louisa naked & stretched out face down ready for 007's tantric touch using my own "secret agent" massage lotion. 45 minutes of intimate massage by hand, tongue & body to body with this beautiful lady.....sheer indulgence.

Money, time & potential road rage well spent?

Most definitely. Louisa is a little gem & I will come again.....and again.
