The Premises:

Very large room in basement of Bayswater street.

I've seen Jessie many times and her room and bathroom are always immaculate.

There is on street parking when outside of resident hours, but you need to be lucky.

The Lady:

Jessie is a slim Thai girl about 5 feet tall, with natural tits. She says she's 28 which is probably close to the truth.

She looks very much like the web site photos, although they're due to be replaced soon.

Today she answered the door wearing a very sexy shiny black dress which turned me on straight away.

The Story:

As stated earlier, I've seen her many times, and she's always been happy to do anything I asked for (never asked for A).

She's the best kisser of all the many Thai girls I've visited. So, if kissing is your thing, Jessie's the girl for you.
