The Premises:

Comfortable flat beneath a vacant shop. Entrance on main road but discreet enough.

The Lady:

Pretty brunette, 30s, 5-ft-5 or so, size 16 or 18. A great pair of tits - but then a great couple of handfuls no matter where you grab her!

The Story:

Unbelievable value for money - all this for 60 quid!!

A highly erotic session of undressing each other, plenty of kissing and fondling, a leisurely assisted shower, a very rude back-rub, oral both ways, a bit of play with a dildo, a great fuck, and friendly conversation afterwards. Throughout, she seemed to be enjoying herself just as much as I was (a lot).

And she likes to look after her customers. When it was all over, she offered me a beer, found she had run out, and then insisted on sending the maid out to the shop next door to fetch one for me. I admit I was a bit embarrassed when the maid came into the room with my drink to catch me still stark naked (as was Debbie), completely exhausted, flat on my back, and three-quarters detumesced. Of course neither Debbie nor the maid batted an eyelid.

Debbie has a huge collection of uniforms and loves a bit of roleplay. An easy 100% for friendliness, enthusiasm, and fun.
