The Premises:

Large and comfortable shared flat a short walk from either Queensway or Lancaster Gate station. The bedroom is large and attractive, the bathroom clean and fresh.

The Lady:

Victoria is a very pretty Thai girl in her 20's. She is slim and long-legged with a lovely enhanced bust and a cute bum. She has a lovely smile and a friendly nature.

The Story:

I have visited Victoria before, and I think being familiar with someone adds to the pleasure. This was a really good visit, starting with the requested shared bath, an erotic experience in itself, and then proceeding to the bedroom. Lots of kissing and fondling, leading to mutual oral and rimming, culminating in sex in various positions, finishing with Victoria riding me to completion. Afterwards we had a chat, a cuddle and beer, a nice way to end the visit. I will of course see her again.
