The Premises:

Cherry's flat is on the top floor of a block a few hundred metres from Queensway and Bayswater. Bayswater station is the best option if needing to draw cash. The lift is broken so it a long haul up ten sets of stairs to get her flat, which was comfortable enough but very dimly lit. Bathroom was ok.

The Lady:

Cherry has is well proportioned but not as petite or tanned as many Asians, in fact very much as she appears in the photos on the website. However, rather than the innocent and natural appearance in her photos, Cherry was wearing an excessive amount of black eye make-up, which took away some of her appeal. However she was very friendly with lots of smiles, and eager to please. Her English is pretty good too, making it easy to "click".

The Story:

The session started with Cherry saying we could do anything I wanted, so I think one can conclude she offers a full service! I decided on this occasion to go for more of a gfe, and her kissing certainly didn't disappoint, and very passionate once she was turned on! Some great oral followed and plenty of firm body to body massage. I had arrived at 8.25pm having given notice to the agency, but the appointment was ended abruptly at 8.45pm, so nothing further to report I'm afraid - she said, apologising profusely, that she had another appointment at 10.00pm which I guess was fair enough, if disappointing at the time. She is still quite new, so I will give her the benefit of the doubt and recommend her.
