The Premises:

Very nice and clean basement flat in easy walking distance of the tube. As well as a comfortable large bedroom there is also a smaller punishment room. Has a shower and supply of clean towels.

The Lady:

As well as a pretty face, lovely smile and very spankable bottom Emma has a all round beautiful body.

The Story:

It was my first visit to Emma. Offered a drink and a shower to start and had a shower after we finished. Emma was very friendly and put me at my ease straight away. She was very attentive and keen to talk about what I wanted to do and her to wear. She also came up with some very good sexy suggestions herself. As well as spanking her beautiful bum was treated to a very personal range of sexual services with a wonderful hand relief to finish. Can't think of any negatives and Emma is highly recommended. Will definitely visit her again soon.
