### The Premises:

Nice discreet house in Central Milton Keynes clean and tidy.

### The Lady:

Yana is a very good looking lady, with nice breasts and a lovely bum, a fair amount of tattoos which some may not like, I think its hot though.

### The Story:

Well well well, 2nd time I've been to yana now and let's just say her oral has me shaking by the end of the session (both times I've seen her) it's absolutely amazing if u ask me. I always book an hour session, but I may save myself for a longer one as she's one of a kind but we started by kissing and playing with each other then onto the bed... I done my deeds to her pussy but I'm not gunnar tell ya what she likes that's for you to find out :D she then asked me if we should 69...of course soon after she was wanting my cock inside, payed on our sides me behind her, doggy. We calmed down a bit after a very steamy session and we played with each other more just payed on the bed, with a struggle today but suddenly, right on time... BOOM! Before it could come out she had her mouth over my cock to take it all. That's not very detailed but damn I'm not spoiling it for ya
