The Story:

Had seen Rio on a couple of occasions when entering and despite her stunning looks had never had the courage to meet her intimately.Changed that today and all I can say is that I'm kicking myself for not seeing her earlier.She is gorgeous ! She showed me into the room and chatted to me whilst I undressed for a shower and then stepped out.A couple of minutes later she came back in whilst I was drying off,sat on the bed and we happily started chatting again.Rio has a very infectious laugh that you can't help but join in with,she is funny and intelligent as well as being sensual and alluring.My time with her flew by much too quickly as time tends to do in the company of a beautiful woman.Considering this was our first time together by the end I felt totally relaxed in her company and I hope she felt comfortable in mine.I simply cannot wait for the next time I can see her again. x
