### The Premises:

First time I visited their West Ken place. Very near to the tube and is clean and comfortable. For the less athletic among you the stairs to the basement flat may be challenging.

### The Lady:

She is a tall, nice looking blonde with natural skin tone and no prominent tattoos which is a plus for me than fake tan/tattoos which are all too abundant these days. Adrienne is in her mid to late 20s with a good fulsome figure (size 10) and nice natural tits (c or d cups) which is my preferred body type.

### The Story:

I first saw Adrienne back in Sep 2016 and was pleasantly surprised to see she was still around. Decided to make a longer booking than usual so I could savour her properly and enjoyed a very pleasant GFE. Good foreplay, kissing, exquisite blowjob which I had to stop so I didn't cum too soon. I then enjoying devouring her body and eating her lovely pink pussy which she seemed to also enjoy. Back to another blowjob to get me hard again and finished by shagging her in missionary.

A very enjoyable experience again. I'm not sure when I will be back in London next but I do hope Adrienne will be around.
