The Premises:

Well known parlour on Narborough Road. Needs a bit of TLC. Rooms are small, this one wasn't the best. ! Massage table instead of a bed. Strange. ! On the plus side. there is a nice discreet entrance up some steps at the back.

The Lady:

Website says that Emma is 30. Very chatty, with a bubbly personality. She clearly enjoys her work. ! She laughs a lot especially when she has a cock in her mouth. I loved this, and she took time to explain that it is just her way. As I said, she enjoys her work. Physically, Emma is just my type, not skinny but certainly not fat. Magnificent tits. They are huge and I couldn't get enough of them.

The Story:

Excellent punt. Emma is really nice. Basic massage at my request. Plenty of oral, and I mean, plenty. Oral with doesn't really do it for me but she nearly got me to cum. She then climbed on top so that I could get more of those magnificent tits. Then a bit of missionary, before she finished me off by hand, with me sucking on those tits....Excellent all round. Did I say that she has fantastic tits.....
