The Premises:

Big spacious rooms. Shower facility, music. Discrete.

The Lady:

She loves what she do, which is the main thing.

The Story:

It was a PROPER B2B massage.

Saskia tried her best to please me, she gave her 100%. She is not a clock watcher but her main motive was to please me. She encouraged me for touching which was great because generally it isn't done.

It started with feather touch, the back massage was felt like from trained masseur which relaxed me, then proper B2B massage make me horny and finally happy ending.
