The Premises:

A very nice spacious apartment just South of Harrods. Well decorated and clean with a nice touch of candles on the stairs leading down to the den of action. Shared with 3 girls - another one appeared at the end of my session!

One word of advice - there is a church near the flat with clocks which are 5 minutes slow. Do not rely on the church clocks for your arrival time or you will lose 5 minutes.

The Lady:

Two beautiful blondes both friendly with good English. Both with pert natural tits as far as I could tell. Photos on website are a good likeness although Tia's tits have been photoshopped to be larger than reality.

The Story:

So, where shall I start. Firstly I have only ever had two "duos" before and both were a little disappointing. However this one appeared to be a lot more promising.

This was a cold snowy day and I arrived totally frozen - both girls welcomed me and started waving their arses at me on the bed as I started to get my various layers of clothing off. Unfortunately my hands were frozen so I couldn't really touch anything - so off to the shower. A few minutes later, suitable warmed, the action started. Both girls participated equally (this is where my previous duos failed).

So after a bit of cuddling and introductions Chandon goes for a condom - hmmm how about OWO? So, after a few Romanian words out come the wetwipes and the start of OWO. Very nice with both girls alternating. That didn't last too long which I guess, in retrospect, was a bit disappointing. On with the condom and then I have to decide who first - I choose Chandon. She starts to ride me with Tia putting her pussy in my face. Jeez - how long can a man last like this? After a few minutes I'm ready to blow so I withdraw quickly for a breather. Well the breather didn't last long - back inside and after a few more minutes my brain tells me that if I blow quickly maybe I will have enough time for seconds. Stupid brain. So after about 30 minutes I am done.

A bit more cuddling - 30 minutes to go. Now ideally after a few minutes I would have liked both girls

to take the initiative and start on the OWO routine again. One problem I have is I tend to go with the flow rather than make such suggestions. Anyway, they get their hands working and after a while start with OWO again. To be honest I would have preferred a bit more enthusiasm with the OWO at this point and maybe, just maybe, that elusive 2nd pop could have happened. Alas it was not to be. So the end result is I never got my cock inside Tia which is a big shame. After about 50 minutes my brain decides I'm wasting my time (stupid brain) so I may as well give up. Another quick shower - back in the room to dress and I am introduced to a 3rd girl (who I think had been entertaining separately in another room when I arrived). Whilst dressing, Chandon was cavorting on the bed waving a pair of fluffy handcuffs in the air and flashing her pussy at me - that girl knows how to market! Anyway, enough of this and out the door in 55 minutes.

So - was this a good session? Definitely yes. The OWO was perhaps a bit more reluctant and shortlived that I might have liked and I really would have liked to have shagged both of them so that part failed. Would I like to go back for more - yes. However I note that Chandon has just raised her rates so maybe next time it's just Tia on her own.
