### The Premises:

Good flat in central MK. Well kept. Good parking nearby.

### The Lady:

Her photos flatter her! She's overweight and not as well presented as the pics might suggest. Guttural accent. Probably at least 28

### The Story:

All pretty standard stuff, although the OWO was better than average. This girl is not for me, but if you like them well padded, a little on the masculine side, then give this girl a go!
