The Lady:

Jessica is just stunning, amazing toned stomach and curved back. Perfect nipples on perfect perky breasts. Fantastic peachy arse. Definitely the same girl as her pictures. Incredible to look at but even better to speak to - very mature for somebody in their early twenties. The way she made me feel in my body and my mind is something else. I've never met a girl like her. I've visited lots of massage parlours around the UK and never had an experience like the one Jessica gave me. She really loves what she does there and she does it so well.

The Story:

I was anxious before walking through the door despite having been to lots of other places that offer massage around the uK. Jessica was waiting for me at the top of the stairs and just looked amazing in lace stockings. She had a beautiful friendly smile and gave me a hug and a kiss on the cheek before taking me into the room with the massage table in. I had a quick shower then lay face down on the table. She is really well spoken, clean and obviously looks after herself, but as soon as we started it was like a different lady! I won't go into too much detail but the way she pressed her body into mine made me feel incredible. She made me feel like a King and all she's ever wanted was to please me. Completely erotic and so intense. She took total and utter control of me and put me in a place I've never been before. It was ecstasy. This was my first visit to Hush, but compared to other massages I've had in different places Jessica is on a completely different level, I still cannot comprehend how she made me feel. After the most amazing orgasm I was offered another shower. There was no rush to get me to leave and I chatted to her for a bit longer. What an amazing girl. A hug and kiss on the cheek and I was on my way.
