The Premises:

Easy to find place about 5 minutes walk from Victoria station. The apartment is of the usual high standard from House of Divine and I had a nice shower.

The Lady:

If I had to describe my perfect woman, Angel would be it! Tall, amazing pert natural breasts, a gorgeous bum and a lovely shaved pussy. It was great to finally meet her and see the beautiful face behind the blurred photos on the House of Divine website. not only is she flawless, she has a lovely, genuine personality too. Really friendly and puts you at ease straight away.

The Story:

Having had my shower and paid the money, Angel came in the room and was soon naked. A beautiful sight but it got better in the next minute or so. After some kissing, she asked if I would want oral with or without. I opted for without, of course. A few minutes of this was absolutely beautiful, with Angel making full use of her tongue. Then it was in to sex, with me on top first. I had to pinch myself that I wasn't dreaming as such a beautiful woman was under me. At my request, Angel pinched my nipples and the sex went to being a bit more faster. I like the way she adapted and was saying "fuck my pussy" and telling me not to stop. Then she went on top of me, which was just as amazing. As time was running out, Angel gave me some more lovely OWO before I came on her gorgeous breasts.

I haven't been able to stop thinking of Angel since I left the flat at just gone 7 o'clock last night and can't wait to see her again soon. A truly exceptional woman and a House of Divine legend.
