The Premises:

As described elsewhere - clean - good parking - none discript buiklding just as you enter a busy industrial estate

The Lady:

Chloe is 29 but could pass for being a lot younger. She speaks with a soft posh slightly scotish accent (ex public school girl). Small tits, nice figure, completley shaved. Friendly personallity - a bit coy.

The Story:

Was originally going to go to Daniel House but as I drove past the place had big To Let signs all over it so decided to drive on to other side of Doncaster & visit the Moulin Rouge where I had always previously had a good time.

This time there were 4 ladies to choose from so after a cup of tea I choose Chloe the youngest one (by at least 5 years)who hardly spoke to me while I drank my tea. As soon as she came to the room she seemed a bit unsure & a bit wappy - drugs i thought this is not going to be a good experience but how wrong I was. The more we chatted the more we clicked resulting in some great oral 69 - she has one of those fanies that are lovley to look at (& Lick suck)- she really enjoys giving & recieving oral. I always experience something new at the Moulán Roughe this time it was "The FemiDom" (a condom the woman wears / has inside her) absolutly fantatsticit - helped that she had a lovley tight hole.

Thanks Chloe hope to see you again sometime - dont forget to ring you get to Sheffield.
